

Checklist for School-Age Programs 3-Star (YoungStar)

- ___ Program Self-Assessment
- ___ Quality Improvement Plan-based on the program self-assessment

Education:

Programs may meet the dual-role Director/Lead Teacher or Centralized Administration requirements. Please ask your YoungStar Coach or review the Evaluation Criteria for specifics.

- ___ Program has a completed Registry Program Profile
- ___ At minimum, 25% of classrooms/groups with a lead group leader at Registry Level 7, **and** 25% of classrooms/groups with a lead group leader at Registry Level 6 or higher.
- ___ At minimum, site supervisor is a Registry Level 10, must have 6 business specific credits.

Learning Environment and Curriculum:

- ___ Developmentally Appropriate Environments are observed to include:
 - Developmentally appropriate interactions and promotion of positive relationships.
 - At least 50 consecutive minutes of uninterrupted Free Choice/Free Play within the daily schedule (30 min if program is under 4 hours/day).
 - Room organized into at least 5 interest centers/areas to support children’s meaningful play, (*Note: SACERS tool requires areas for reading, blocks, dramatic play, science/nature*).
 - Materials in all required interest areas are developmentally appropriate and accessible to children for the entire uninterrupted choice time.
 - Accessible materials reflect School-age Curricular Framework (SACF)’s 9 content areas, differing levels of difficulty and group members diverse learning styles.

Business Practices:

- ___ The program has 12-month line-item budget for each site, which includes:
 - Projected income and expenses for the current fiscal year
 - Funding for at least one item from the program’s Quality Improvement Plan QIP)
- ___ The program reviews the budget annually and makes adjustments to future budgets if necessary. A budget report from the previous fiscal year is available and was used to inform the current year’s annual budget that includes a line-item breakdown of actual income and expenses.
- ___ The program demonstrates record-keeping practices that track income and expenses on a monthly basis.
- ___ A parent payment agreement must be signed and on file for all families that have a Wisconsin Shares Child Care Subsidy authorization with the program, and available at the site where the child receives care. (pp.17-18 of the YS Evaluation Criteria 2021-22 details what the form must include).

Family Engagement:

- ___ Programs must provide documentation of meeting at least one practice from each of four items.
- **Communication:** respectful, 2-way communication; multiple ways to communicate, time made to engage families in meaningful conversation.
 - **Family Needs and Feedback:** family input guides program planning & policies; program is adapted to meet the needs of children & families; hiring practices reflect families' diverse backgrounds.
 - **Collaborative Activities with Families:** families are encouraged to participate in activities; opportunities exist for staff & families to learn from one another; volunteer opportunities match families' strengths, interests & skills.
 - **Community Resources & Family Support:** families are connected to community resources; support and planning around transitions (to new classroom/group/program); educational & developmental resources are available to families.

Health and Well-Being:

- ___ The program completes a YoungStar approved nutrition and/or physical activity self-assessment tool.
- ___ The program develops a Quality Improvement Plan (QIP) based on the results of the nutrition and physical activity self-assessment. Results can be incorporated into the program's overall QIP.
- ___ If the program has met this requirement in the past, they must demonstrate progress on at least one nutrition/physical activity goal from the previous QIP.
- ___ If the program allows meals, snacks or beverages to be brought from home, it has a policy that states the program will supplement the meals, snacks and beverages if they do not meet the guidelines established by the Child and Adult Food Care Program (CAFP).
