

Job Title: Health Educator – Wisconsin Out of School Time Alliance

Location: Wisconsin – applicant must reside in the Northern region of the state as determined by The Bureau of Regional Operations map.

About Us:

Wisconsin Out of School Time Alliance is a dynamic organization dedicated to enhancing the quality and accessibility of afterschool and out-of-school time programs across Wisconsin. We believe in the power of out-of-school time activities to positively impact the lives of children and families, providing enriching experiences beyond the traditional school day.

Position Overview:

We are seeking a passionate and dedicated Health Educator to join our team. The ideal candidate will play a crucial role in supporting the development, implementation, and evaluation of afterschool programs throughout the state. The Health Educator will work collaboratively with various stakeholders, including schools, community organizations, and government agencies, to ensure the success of afterschool initiatives.

Responsibilities:

- Collaborate with program providers and community partners to assess program needs and identify opportunities for improvement.
- Assist in the planning and execution of professional development opportunities for program staff.
- Facilitate communication and collaboration among programs, schools, and other stakeholders.
- Support the implementation of data collection and evaluation processes to measure the impact of afterschool programs.
- Stay informed about relevant policies, funding opportunities, and best practices in the field.
- Provide technical assistance and support to programs, including direct YoungStar coaching services to address challenges and promote excellence.
- **Travel is required as part of this position.**

Marshfield Clinic
Health System

Qualifications:

- Bachelor's degree in education, social work, or a related field (Master's degree preferred).
- Experience working in afterschool or out-of-school time programs or a related field.
- Strong organizational and project coordination skills.
- Excellent communication and interpersonal skills.
- Knowledge of relevant policies, regulations, and trends in the afterschool field.
- Ability to work independently and collaboratively in a fast-paced environment.
- Proficient in Microsoft Office and other relevant software.

How to Apply:

Interested candidates should apply [here](#) or email wosta@marshfieldclinic.org for more information.

Wisconsin Out of School Time Alliance is an equal opportunity employer. We encourage candidates from diverse backgrounds to apply.
